## Judge Hess spoke to Carlisle Exchange about Juvenile Delinquency and the Law

At our meeting on March 22nd, our speaker was the Honorable Kevin A. Hess. Judge Hess recently retired after 30 years of working for the Court of Common Pleas of Cumberland County.

During his presentation he covered his educational background and then discussed how the laws in Pennsylvania apply to juveniles.

He explained that it is important to keep juveniles in a separate court system from adults whenever possible. He also feels that while some cases result in an Adjudication of Delinquency, a much better solution is for the case to be sent before a Youth Aid Panel. The Youth Aid Panel program is a diversionary program for first-time juvenile offenders who admit guilt. It allows juveniles, their parents, and volunteer panel members to work together to find a resolution to the offense. He ended his presentation and took questions from the members in attendance. John

- Tuesday May 24 - **Meeting** 6:00 PM Cumberland Crossings

## A Few Words from the president . . .

Fellow Exchangites,

Well, spring is finally here and the weather looks like it might be ready to behave in a reasonable manner.

We had a great **Molly Pitcher Award Dinner** where I had the opportunity to present our Carlisle Citizen of the Year Award to Perry Heath. A very deserving supporter of the Carlisle Community.

As we look forward to April, there are many important events scheduled and I hope to see you at all of them.

- Some of you may be wondering about the **Walmart fundraising** we do each April to support the efforts of Pressley Ridge. When I went to setup our dates this year, I was informed that our Walmart no longer allows fundraising in front of the store. So I submitted a grant request to the Walmart Foundation and the club received a \$1,000 grant from them. So this year we received the money without having to stand out in the cold.
- Our **Youth of the Year Banquet** is scheduled for April 12th where we will acknowledge the hard work of worthy high school seniors.
- Our first **car parking** event of the year will be April 21st through April 23rd. The money raised through car parking provides a significant amount of the money we use to support events and organizations in our community, so find a shift that works for you and come help.
- Our **A.C.E. Award Banquet** is scheduled for April 26th where we acknowledge the hard work of students that have overcome some significant obstacles in their lives to finish high school.

Now that spring has arrived and the roads are safer, I hope to see you at club meetings where you will find good food, good friends and an interesting lineup of speakers.

Yours in Exchange,

**John**
