## March 9 – All-Member Zoom Meeting

The All-Member Club Zoom meeting was held at 6:30 pm on Tuesday, March 9, 2021. This 30 minute gathering informed members about the status of upcoming events. The 14 members who participated in this event were happy to be able to gather together even though it was only online.

## March 21 - Member Drive-By for Hot Cocoa and Cookies

The Member Drive-By for Hot Cocoa and Cookies took place on Sunday, March 21<sup>st</sup> from 2:30 pm - 3:30 pm. It took place in Boiling Springs in Ken Stoltz's front yard on a warm sunny day. The club's Board of Directors spread out to greet members along the edge of Ken's front yard. Members and guests were able to just stay and their vehicles while receiving delicious cups of hot cocoa which Linda Stoltz prepared. They also received a bag of homemade cookies made by Lynda Cook and Betty Bowes that were packaged and ready to pass out. They made a wonderful selection of chocolate chip, peanut butter and snickerdoodle to name a few. The snickerdoodles were amazing!

A huge thank you goes out to Ken Stoltz for developing this activity and to the chefs who made it possible: Lynda Cook, Betty Bowes and Linda Stoltz. A total of 20 members, 7 guests, and one dog (Gibbs) participated in this first in-person activity we have had since the weather turned cold.

## Graduating Seniors?

Children, Grandchildren or  
Great-Grandchildren of  
Exchange Club members

The candidates must include their narrative under 500 words describing the event (or events) in their life of which they are most proud. This narrative must also describe their future plans for making your community, and the world, a better place to live, and a paragraph about their perspective of what their veteran or first responder parent/grandparent have done. A second narrative; not to exceed 500 words, from a parent, grandparent, school official, or exchange club member is to describe why they feel the candidate should earn the Legacy of the Year Award including implications for the candidate's future. GPA is not part of this application. The online applications can be found at [Legacy of the Year Award Application](#).

## Legacy of the Year Scholarship

The National Exchange Club's Legacy of the Year Award recognizes high school students who are children or grandchildren of veteran or first responder Exchange Club members with a \$15,000 scholarship. Candidates also display exceptional community involvement and leadership skills. This program rewards outstanding young people and provides incentive for others to serve their country and communities. Legacy of the Year Award candidates must submit applications directly to Exchange's National Headquarters by June 1, 2021.

## Holly Festival Day 2021

We have accepted the invitation to participate again in the Holly Festival Day on September 18, 2021. This is an all-day that is full of vendors selling their products and a wide variety of food spread out along several blocks in Mount Holly Springs.

For the event, club will set up a free children's activity station near the other children's activities stations. This event is a great way to get our organization noticed in the community while helping to bring smiles to many children. A sign-up sheet will come out in August.

**A Few Words from the President . . .**

Although it might look like baby steps, we're making progress against the pandemic. Hopefully most of you have received the vaccination. It is still too early to determine when we might be able to return to Cumberland Crossings but we'll continue to communicate with them. We're planning on returning to outdoor meetings once the weather warms. We'll attempt a meeting to honor our Youth of the Year winners, but that is dependent upon whether they (and their parents) feel safe. Car parking is still a go and I encourage anyone who feels safe to volunteer for a shift. Our club depends upon these important fund raisers. We're still waiting for information from PENNDOT on what restrictions will be emplace for our Coffee Break. As long as they are not too restrictive, we'd like to continue this tradition.

I truly miss seeing everyone and eagerly look forward to returning to normalcy. Until then, stay safe, do what you can to help others, and keep up the fight.

Stay healthy, stay safe and help those in need,  
*Terry*
