### Blue Pinwheel Gardens

Blue Pinwheel Garden at St. John's Episcopal Church

Blue Pinwheel Garden at the First Presbyterian Church

The Community Blue Pinwheel Gardens are set up on the Square in front of both St. John's Episcopal Church and First Presbyterian Church. Blue pinwheels are the national symbol of the Prevention of Child Abuse, so the Blue Pinwheel Gardens will be up for the whole month of April in observance of the Child Abuse Prevention Month. Each Pinwheel costs \$5.00 which will be going to support local children's programs. Pinwheels can be purchased during the entire month, so keep watching

the gardens grow. The order form is attached to this newsletter, or they can be paid for online with a credit card at [www.exchangeclubofcarlisle.org/pinwheels.htm](http://www.exchangeclubofcarlisle.org/pinwheels.htm).

There are Dedicated Gardens sponsored by Carlisle SynTec Systems (planting April 15), North Hanover Grill, and the Rotary Club of Carlisle Sunrise (Belvedere & Walnut Bottom) which you should drive by to see. Also, Playa Bowls Carlisle and Carlisle Diner donated to the Community Garden. Be sure to support these organizations. A thank you goes out to John, Susan and Jessica Murray plus Bill and Jean Yufer for planting the gardens.

*The New Trailer Hitch*

## New Trailer Jack

Everyone who has worked with moving the trailer the past few times know just how challenging the old jack had been to work with. That was until it finally stopped working all together. Fortunately, Terry Young was able to get a brand new one installed. He was able to find a company who could weld the new one on and it works much better. So, feel free to sign-up to help with setup and teardown on the upcoming Car Parking and Coffee Breaks events since it will be less challenging for everyone.

A huge thank you goes out to Terry for getting this done and even finding a place to do it much cheaper than the club expected. The trailer is all set for Car Parking in April.

## Believe in the Blue

April is designated as the National Child Abuse Prevention Month. In support of this program, the National Exchange Club developed its annual “Believe in the Blue” campaign which is conducted in observance of National Child Abuse Prevention Month. It is an effort to reach families across the nation with positive parenting tips because Exchange believes parents have the power to make positive parenting choices in the lives of their children. To show your support for National Child Abuse Prevention Month, you can participate in Blue Mondays by wearing blue every Monday in April and encourage your friends, family, and coworkers to do the same!

## Downtown Carlisle Bunny Hop

The 10<sup>th</sup> Annual Downtown Carlisle Bunny Hop was a walking Easter Egg Hunt in downtown Carlisle, PA, with local businesses and organizations passing out a treat filled plastic Easter Egg to each child. On Saturday, April 1, 2023 from 12-3, the club’s station near the Square passed out candy to about 600 children. The club appreciates the help from John & Susan Murray, Bill & Jean Yufer, Terry & Kathy Young, John Wain, and Ken Stoltz for making this event possible.

## Meetings

**Mar 14, 2023**

Sixteen members of the club stuffed over 700 eggs to prepare for the Downtown Bunny Hop on April 1, 2023. We hope to bring smiles to many kids this year; however, maybe not the local dentists.

## Mar 14, 2023

Dr. Nathan Angerett, D.O., and Wendy Creceliu, Community Liaison from Orthopedic Institute of Pennsylvania gave a wonderful presentation at the meeting on March 14, 2023. Dr. Angerett gave a thorough overview about hip and knee replacements. Many people are truly thankful they have the option of getting a replacement joint to keep them active. Wendy let the club know that the walk-in clinics could be a better option than the ER for many orthopedic injuries.

## Mar 28, 2023

On February 28, 2023, Kathy Bolden, Associate Director Carlisle Area Family Life Center, explained the resources available at the center. Everything they provide is free to their clients including pregnancy tests, ultrasounds, training, and some diapers and formula. They also ensure the expectant parents understand what resources are available for them in the area. As the Learning and Earning for Expecting Moms (LEEM) Program Coordinator, she explained that they have an 8-week training course to help both expectant mothers and fathers prepare for their new child. To encourage attendance, each child can select a new Pack’N Play or stroller after the completion of the course.

### A Few Words from the President . . .

April and May are exciting times for our Club and a time when we can really be proud. ACE and YOTY showcase the importance of our Youth, Molly Pitcher showcases the importance of Community, and the pinwheels showcase our efforts toward the prevention of child abuse. I want to extend my appreciation once again for everything you do. I am honored to be counted with you. See you at the K Street parking lot.

Continue to be safe,  
*Terry*
