### A Few Words from the President . . .

I want to take this opportunity to thank the members that have supported our recent meetings. It is truly rewarding and a testimony to each of our members’ interest in their community and the organizations and individuals that support it. It also speaks well of the great job our Secretary, John Murray, has done. I believe most of you know John is also our speaker coordinator.

Our next meeting will be one none of you will want to miss. The meeting is on the 14<sup>th</sup> of February and most will recognize that date as Valentine’s Day. **John and Susan Murray have again planned the perfect meeting for us with the “Valentine’s Day Matching Game.”** For those that were there last year, you will remember the fun everyone had realizing how little we knew about one another or how we interact in today’s society.

**I again encourage each of you to bring a prospective member to one of our meetings.** Once an individual recognizes our spirit of community support and the caring we exemplify for one another, they are certain to want to join in our endeavors.

Also, I want to remind everyone of the four objectives I introduced at our first meeting of this year:

- Increase participation and membership.
- Have a greater impact on our community.
- Care for one another.
- Have fun in what we do.

Although each of these objectives is critical for our organization’s survival, perhaps the most important is the third. If you know of a member that may need our assistance, in any form, please let a member of your board know.

See you on the 14<sup>th</sup> of February, Valentine’s Day! God bless each of you, our organization, and this great Nation.

**Bob**
