## Match Madness – Supporting our Local Nonprofits

As an incentive to raise funds, the Partnership for Better Health offers a matching fund that is proportionately distributed to participating organizations based upon the amounts they raise. Following the completion of the campaign, each participating organization receives a lump sum payment of their donors' contributions, plus a proportion of the Partnership's matching fund. The campaign runs from March 1-31. Watch their website in February for a list of this year's participating organizations at [MatchMadness \(forbetterhealthpa.org\)](http://MatchMadness(forbetterhealthpa.org)).

Summer Program for Youth (SPY) is one of this year's participating organizations as are many other wonderful groups who would welcome your contribution. If you are considering donating to a local group, March is a great month to increase your help to a local Nonprofit. Contact Ann Myers, Gift Planning Officer, at [ann@forbetterhealthpa.org](mailto:ann@forbetterhealthpa.org) with any questions.

YOTY Award

A.C.E. Award

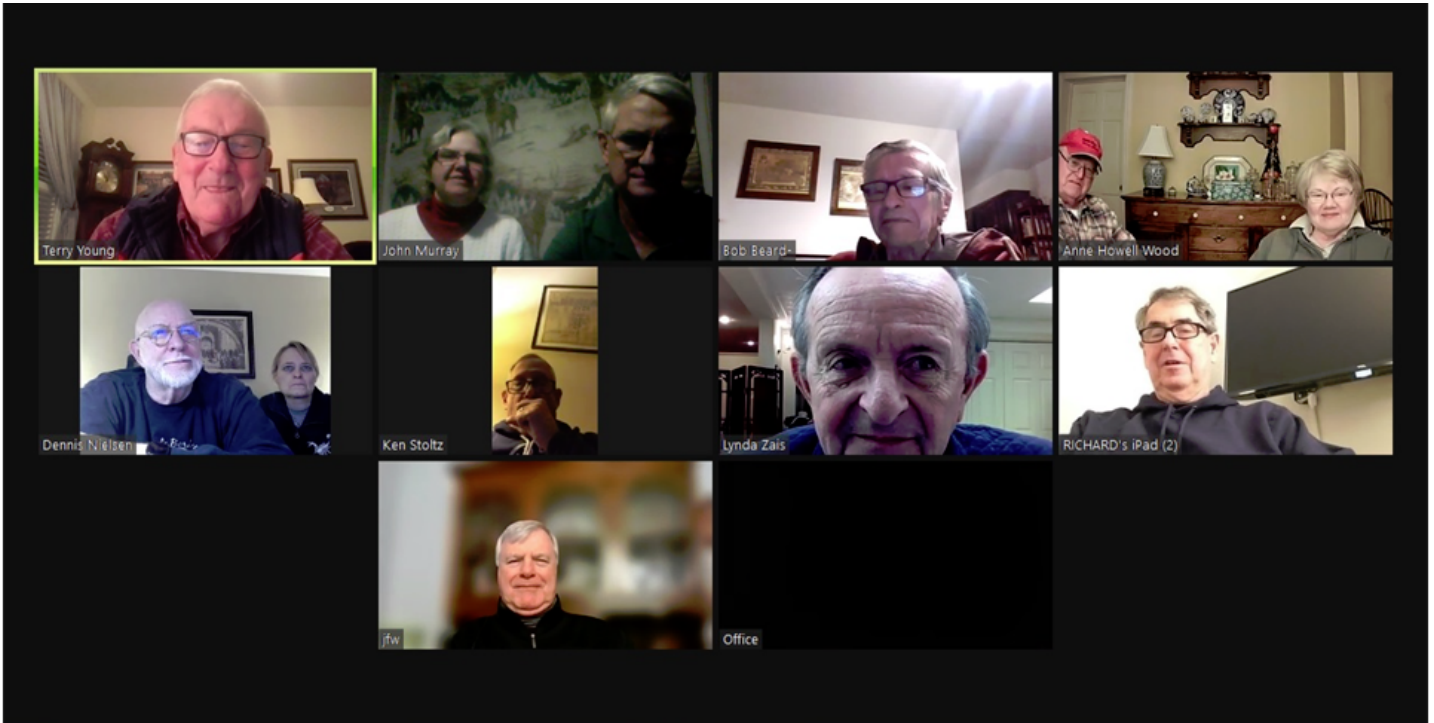

## Volunteers Wanted for District YOTY and A.C.E.

The District Youth Committee Chair, Joanne Guercio, is looking for some volunteers to help select the YOTY and A.C.E. Award District winners. Hopefully, this committee will have volunteers from clubs located in each of the four states. Although the committee meeting format has yet to be determined and the committee members will be very spread out, the meetings will probably be handled through email, zoom or conference calls.

This is the message from Joanne Guercio: "I am looking to our clubs to help with the selection of our District winners. I would like to have two committees, one for Youth of the Year, and one for the A.C.E. award. I would like each of these committees to include club members from New York, New Jersey, Pennsylvania and Maryland. If you have a club member that is interested in helping to select our Youth of the Year or A.C.E. scholarship winner, please contact me with their information. I would like to have the committees set by March. For that reason, I would appreciate hearing from those interested as soon as possible."

Please let Susan Murray ([jdmi@pa.net](mailto:jdmi@pa.net)) know if you are interested in participating in either of these programs.

# Meetings

January 11, 2022 Zoom Meeting

## Jan 11 – Zoom Meeting

Due to the number of Covid-19 cases in Cumberland County, the Board of Directors decided to hold the January 11<sup>th</sup> meeting by Zoom. It was a great alternative to cancelling the meeting. Thirteen people were able to catch up on how other members have been doing, since some of the people on the zoom meeting had not been able to attend the past in person meetings.

### ***A Few Words from the President . . .***

Thanks for your patience and understanding. We're still feeling our way along but hope to return to normal soon. I'm reaching out again to ask someone to consider stepping up to be President next year. I'm completing the second year of my second run; time to pass the baton. The future of the club depends on our continued commitment. Please contact me if you have any questions. Until we meet again, stay safe and help others.

Be safe,  
*Terry*

After the Children's Christmas Party, there were some gifts remaining. So, we contacted Domestic Violence Services of Cumberland and Perry Counties, and the club provided a Christmas gift bag to all the children staying in their shelter. See the Thank You letter that is attached to this newsletter.
