## Blue Pinwheel Garden

*Sample of our type of garden*

The Exchange Club of Carlisle has blue pinwheels available online to reserve for our April Garden in observance of the Child Abuse Prevention Month. Each Pinwheel costs \$5.00 which will be going to support local children's programs. The order form is attached to this newsletter.

Members can sell pinwheels by collecting \$5 for each one and turning in the money and how the donor would like to have their name listed on the donor list to Susan Murray at ([jdmi@pa.net](mailto:jdmi@pa.net)) or at club meeting. People can donate online at [www.exchangeclubofcarlisle.org/pinwheels.htm](http://www.exchangeclubofcarlisle.org/pinwheels.htm) and pay with a credit card.

Members can also recommend businesses or organizations who might like to have an individual Dedicated Blue Pinwheel Garden at their locations with a donation of a minimum of 100 pinwheels. There is also Information listed about these on our website. Any business who wants a Dedicated Garden at their location must contact Susan Murray to reserve their pinwheels by March 15, 2023.

**A Few Words from the President . . .**

As Susan shared at the beginning of the newsletter, we're having the Molly Pitcher Banquet. Thanks to Wayne Shade's planning and hard work, we'll be able to return this fabulous tradition. Not only is this a great way to recognize a deserving individual, it's a great opportunity to showcase our club. Invite friends and other family members. We're also starting a new event, the Blue Pinwheel Garden. This is totally dependent upon us to advertise and sell these pinwheels. Businesses could use this to help get name recognition. We'll provide sample letters that can be given. I challenge each member to obtain at least 10 sales. We've never asked for anything like this, so a one-time request is not too much. Let's give it our best effort and make it a success. We're in the season where weather may become a critical factor in having meetings. We'll try to make a weather call early and get the word out. If anyone feels uncomfortable driving, please let us know—we'll get you there.

Continue to be safe,

*Terry*

#### Why Blue Pinwheels?

A Virginia grandmother began a Blue-Ribbon campaign as a tribute to her 3-year-old grandson who died at the hands of his mother's abusive boyfriend in 1989. Then, blue became the national color to represent the prevention of child abuse and neglect.

Blue pinwheels are the national symbol for child abuse prevention to represent a happy and safe childhood.
