With the club he serves on the board of directors and organizes Coffee Break every Memorial Day and Labor Day weekend, plus he has been essential with retiring the flags, parking cars, helping at the Children's Christmas Party, and being available whenever and wherever he is needed. Children's Christmas Party

On December 8, 2019 from 1:00 - 3:00 pm, the club held its annual Children's Christmas party at the Carlisle United Methodist Church for local children who could benefit from some happiness during the holiday season.

Again this year we invited the 2nd and 3rd graders who attended the Summer Program for Youth and their families. All the children up through 10 years old received a gift from Santa to open at the party. There were 25 children at the party. Russ Sutton organized the party and extends a heartfelt thanks to everyone who made the event possible. The following people helped at the party, Deborah Sweeney from SPY, Daisy Knaub, Jody Nielsen, Lynda Cook, Lee & Helen DeVenney, John & Susan Murray, Terry Young, Bob & Linda Taylor, Bill & Jean Yufer with Jake Stine, Rick Bonner, and Paul Herring aka Santa.

A Few Words from the President . . .

I wish to take this opportunity to personally thank those that made the sacrifices and took the time to support our meetings and events during the past year. Especially noteworthy were those that made the events of the recent holiday season such great successes. I realize that everyone is not able to be there for each of our club's endeavors during the Exchange year, but for those that gave of their time and effort, a sincere "well-done Exchangites." In fact, it is each and every member that gave in their own way that made 2019 such a great success.

My only wish for the upcoming year is that our membership dedicates themselves to ensuring that 2020 is equally, or even more, successful. For members that were unable to be at the various functions during the past year, whatever the reason, please make the extra effort to join with your friends and fellow Exchangites in 2020. For those that may require a little special assistance in getting to our many functions, please call on me or any of your board members. Even if you cannot be overly active in your support, we still want you with us. Each of you is very special in your own way, and we want to share as much time with you as possible.

Each of us had our own incentives for joining Exchange. In the coming year let us build on those, ensuring that the Exchange Club of Carlisle will continue to make the Carlisle community a better place for all. Thank you Exchangites for being the special people that you are, and for all that you do. Have a safe, healthy, and prosperous 2020. I'll be looking for each of you at our first meeting of the new year on the 14th of January at Cumberland Crossings.

Bob
