Treasurer Bob Beard's Annual Budget Report

The 2019-2020 Fiscal Year for the Exchange Club of Carlisle was impacted, as was the rest of the country, by the Pandemic. The last seven meetings of the year were cancelled due to the restricted access to Cumberland Crossings. One of our major fundraisers was cancelled (coffee break) by the PA Dept. of Transportation and a second major fund raiser (car parking) was compromised by rescheduling and low attendance. In spite of these setbacks, the Board was determined to continue our support to the children of our community.

This was made possible by the use of some of our reserve funds. \$4,000.00, which had accrued over time in our Operations Account (local portion of dues, gain on meal costs, and donations) was transferred to Child Abuse Prevention along with \$1,500.00 from our Money Market Reserve Account. These transfers were combined with the following generous donations:

- Member donations of \$690.00 to pay for new toys for the Domestic Violence Services of Cumberland and Perry Counties' Shelter
- Jim Costopoulos - \$500.00
- James Simms - \$1,500.00
- VFW Post - \$250.00
- American Legion - \$500.00
- Carlisle Moose - \$250.0
- The club's liquor fund - \$500.00
- Plus small donations from Linda Taylor & Bill Knouse

These donations and the transfers of funds made it possible to continue our support to the children in the following manner:

- Domestic Violence Services of Cumberland and Perry Counties' program with a donation of \$10,000.00
- Domestic Violence Services of Cumberland and Perry Counties' donation for toy replacement of \$690.00
- Hope Station with a donation of \$1,000.00
- Three Youth of the Year awardee's grants each for \$500.00 (Total \$1,500.00)
- Accepting the Challenge of Excellence awardee's grant for \$500.00

Below is the detail of the activity in our three accounts for the Fiscal year July 1, 2019 to June 30, 2020.

A Few Words from the President . . .

As with my past few messages, I want to ensure that our members and their loved-ones are doing well. This is indeed a challenging time, but to repeat what you have heard many times already, “We are all in this thing together.” If you know of a member that could use some help, or just a kind word, please let me or one of the board members know.

I want to take this opportunity to recognize and thank all our members that supported Car Parking and the Flags on the Square retirement. Although these seem like what we have always done over the years, these are entirely different and challenging times. The fact we are able to maintain some sense of normalcy is no small undertaking. So, for those who were able to participate, “well-done.” You made a difference in the Carlisle community in a time of great need. I

know many of you were concerned about not only your own well-being, but also for those of your immediate family and friends. I think it would be a gross over-statement to say none of us considered the risks involved with our participation. Speaking of Flags on the Square; we are fast approaching the Fourth of July holiday weekend, and of course, we will again be retiring the flags. I would hope that all those participating will wear masks and gloves (if you feel they are needed).

Above, you should have recognized your “Youth of the Year” and A.C.E. awardees. I have been in contact with each of this year’s recipients, and they all have expressed their gratitude for our organization taking the time to recognize their efforts over the past four years. If you think these are trying-times for folks of our generation, try being an eighteen-year-old and only hoping you can continue on in the manner you had been planning for the last four years. Again, thank you members of the Carlisle Exchange Club for making a difference in the lives of the Carlisle areas’ young adults.

I know you do not need, nor require, my fatherly warnings regarding this pandemic; but you all know me better than that. So, I am again giving you my fatherly counsel. This thing is far from over. Stay home, stay safe, and stay healthy!

Bob

Dear Bob:

We have just received the very generous donation of \$10,000 (check #1195) from the Exchange Club, along with your kind and caring message. I know how hard your members work to raise that kind of money, and we know how fortunate we are that you dipped into your reserve funds to help us this year. I am sorry we were unable to hold a live Annual Meeting in May and recognize you as the strong partner you are for our program.

The National Network to End Domestic Violence notes that, 'while national leaders encourage us to stay home to reduce transmission of the COVID-19 virus, we also know that home is not safe for many adults and children. Resources are now strained by the pandemic and survivors face more limited, and sometimes more excruciating, choices.' To protect survivors and their children, DVSCP's Emergency Shelter program is temporarily housing people in local motels, following the CDC guidelines about social distancing.

Per your instructions, the Exchange Club contribution is focused on helping child victims of domestic violence. While the pandemic makes face-to-face meetings problematic, we are offering mobile counseling and advocacy and reaching out to child clients and their parents with resources to help them through this difficult time.

Again, thank you for your support of Domestic Violence Services.

Sincerely yours,

Barbara
