Coffee Break

Memorial Day Weekend

Treasurer's Report

We took in \$2,233.11 for the weekend. With expenses of \$422.62, we netted \$1,810.49. Great job, Terry. Thanks for your leadership and hard work.

Bob Beard

Editor's note: A few people had to work multiple shifts to cover the schedule, most of all Terry Young. We need YOU to step up and help out at our fundraisers!

Dr. Craig Jurgensen

receives an Exchange Club pen & pencil set from John Murray after speaking to the club about the polluted air in the Cumberland Valley. The pollution effects not only our respiratory system but perhaps also our nervous system. Studies are being done on this latest theory.

Rededication of Freedom Shrine at Lamberton Middle School

L to R: President John Murray, Russ Sutton, Gus Gustafson, Barrie Zais and Terry Young participated in the ceremony, which included a flag folding demonstration and plaque hanging. The plaque commemorates the rededication ceremony done by the Exchange Club of Carlisle on May 19, 2016. The 6th grade class of Lamberton was in attendance. Keith Colestock, Lamberton's Principal assisted with the plaque hanging. Russ and Barrie wore their Cumberland County Honor Guard garb to officiate the flag folding ceremony. All of the Exchangites present are Army veterans.

Smeriglio's "Haven"

Peggy Smeriglio receives the Exchange Club Pen & Pencil set from John Murray as a thank you for her unique presentation about "Haven," the "doll" house she and her husband Al created for fun and relaxation. The miniature creation now resides at the American Treasure Tour Museum in Oaks, Pennsylvania. It is "a mini mansion full of unique miniature furnishings that reflect a fantasy family home from the late 1880s."

Haven is shown here on the cover of Miniature Collector magazine, March 2010. Back copies are still available.

Al Smeriglio answers one of the many questions posed during the evening.

- Saturday, August 20 – **Exchange Picnic and Backpack Collection Event** – 3 PM – 5 PM at the Carlisle Barracks Golf Club Pavilion. Cost per person \$13.00. Flyer attached to email.

A Few Words from the President . . .

Fellow Exchangites,

May was a great month for the club. We had two interesting presentations. One by Dr. Craig Jurgensen about the air pollution in Cumberland Valley and one by Peggy and Al Smeriglio on their hobby of creating a miniature house.

During Memorial Day weekend, we conducted our Memorial Day Coffee and Hotdog Break fundraiser collecting over \$1,800. Then on Memorial Day evening, we retrieved the flags on the square.

June promises to be a great month as well. At our first meeting, I will give my annual **Year in Review** presentation. At the second meeting, Bob Beard will review the **financial status of the club** and we will install the club officers for the next club year.

Later in June, the club will be participating in **Carlisle's Summerfair Program**. On June 24th, we will be conducting our **Give-a-Kid-a-Flag** event during Summerfair's Opening Ceremonies at Dickinson College's Rush Campus. Then on June 25th, we will be running a children's **art activity station** from 10:00 am to noon at the same location. Signup sheets for both of these events will be available at the club meetings in June.

At the end of June, I will complete my term as club president. While serving as your club president has been challenging and frustrating at times, I have enjoyed the overall experience very much and look forward to serving as the club's Immediate Past President over the next two years.

As I step down as president, I will leave you with one last challenge. I ask that every club member seriously consider serving in a leadership position within the club. Each of you can bring new ideas and make the club even better than it is today.

Yours in Exchange,

John
