May 28-31 - Memorial Day Coffee Safety Break

The Memorial Day Coffee Safety Break was conducted from May 28-31, 2021. The club provided coffee, lemonade, and hot dogs to tired drivers. Although the weather was very cold and wet, the club kept the coffee hot which was welcomed by numerous drivers.

An enormous thank you goes out to Martin's Famous Potato Rolls and Bread for donating the Martin's Potato Long Rolls for our hot dogs! That saved the club a huge expense.

Terry Young did a fantastic job organizing this first Coffee Safety Break since September 2019. It was also made possible with the help from Kathy Young, Dennis & Jody Nielsen, Bill & Jean Yufer with Jake Stein, John & Susan Murray, Bob Taylor, Lee DeVenney, Lynda Cook, Walt & Anne Wood, and Ken & Nubbie Stoltz. The final take for the Memorial Day Coffee Safety Break was \$3,158.18. This was the second highest holiday coffee safety break ever. (\$3,517.00 Labor Day 2019) Great job Terry and everyone who helped!

Meetings

May 11 - Meeting

On May 11 Susan Murray's presentation explained how the club earned the various patches on the club banner. The year designation is on the left side of the banner, and the patches earned for that year are sown to the right of it by club master seamstress Jean Yufer. Patches are earned in one of the five area: American, Child Abuse Prevention, Youth Programs, Community Service, and Program of Service Fundraising. After the club earns the patch for the specific area, the club earns a star for all subsequent events in that specific program area. For example, once the club receives its fundraising patch, the next fundraising event would earn a star.

The Board of Directors helps determines which club events should be completed each year, while trying to earn a patch in each of the five areas. After the club completes an event, Secretary John Murray processes the forms required to receive the patch. Finally, Jean Yufer adds them to the banner.

May 25 - Meeting

Rick Rovegno on May 25, 2021

Rick Rovegno, club member and past Cumberland County Commissioner, conducted a very informative presentation about the possible sale of Claremont Nursing and Rehabilitation Center to a “For Profit” organization. Rick’s presentation covered the history, organization and current status of Claremont Nursing and Rehabilitation Center. He also discussed how there are currently some groups in the community that feel there should more discussions before approving the sale to determine the best options for Claremont.

A Few Words from the President . . .

While the Memorial Day Weekend is always a time of fun, picnics and get togethers, it is also a time for reflection and remembrance. Far too many great Americans and their families paid the ultimate sacrifice and we should be forever thankful.

Thanks to the faithful “hot dog crews” who braved the rain and cold weather to make our Coffee Break successful. Special thanks to John and Susan Murray for their tremendous assistance. Thanks also to Bob Taylor and his volunteers for their efforts with the flags. It is always such a spectacular sight when you drive through the flag lined streets of Carlisle.

While we are approaching normalcy, there remains a degree of risk and continued needs. Please let us know if we can be of assistance. Call those who can't get out and say hello. And, thanks to all who are coming to our outdoor gatherings. It is great to see everyone.

Stay healthy, stay safe and help those in need,
Terry
