A Few Words from the President . . .

Although the pandemic continues to be a major threat, we can begin to see the light of hope. Many of you have received the vaccine which provides a great deal of protection. While we're not back to normal, we can begin to plan the year ahead.

We're going to attempt a short Zoom meeting this month. I hope you can join us. It will be great to see everyone again even from a distance. We're also having a "drive by" at Ken Stoltz's house. We hope to have an in person meeting in April to award our Youth of the Year (location to be determined). As of now, Spring Car Parking will still take place. The Memorial Day Coffee Break will be dependent upon what restrictions PENNDOT places on us. The warm weather will also allow us to meet outdoors in April or May.

We'll look back at 2020 as a year like no other. This pandemic has consumed our world. Yet, in the midst of this turmoil, there is much to celebrate. And, it should challenge us even more to serve our community and inspire hope and healing. We'll get through this together. In the meantime, be safe and let us know if we can be of any assistance. Now is the time to take care of each other.

Stay healthy, stay safe and help those in need,

Terry
