### New Member Process

Once you find a potential new member, do you know what the process is for them to become a member? Any member may invite a potential new member to a meeting. The club will pay for one meal for the guest to attend a meeting to decide if they would like to become a member. Please let Secretary John Murray know you are bringing a prospective new member to a meeting.

The prospective new member will provide all the information needed on the attached card to Secretary John Murray. If accepted by the Board, the potential new member will pay the registration fee of \$35.00. However, the dues of about \$110 for the first year will be paid by the club. Then, the potential new member will be inducted as soon as possible and will become a full member.

### HELP: National Blood Crisis

The Red Cross is experiencing the worst blood shortage in over a decade. The dangerously low blood supply levels have forced some hospitals to defer patients from major surgery including organ transplants.

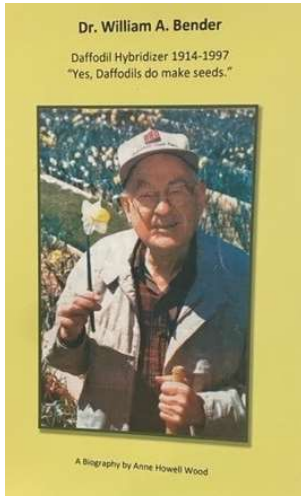

The Carlisle Sertoma Club (311 E. North Street Carlisle, PA 17013), a service club also helping Carlisle, is hosting a Red Cross Blood Drive on March 25, 2022, from 12:00 – 6:00 in memory of one of their members, Ken Wise. They asked our club to help them with this project. This is by appointment only which can be made online at Schedule Your Blood Donation with The Red Cross ([redcrossblood.org](http://redcrossblood.org)) or by calling 1-800-RED CROSS. There are appointments available for whole blood (all blood types) and Power Blood (type A Neg, B Neg, or O blood). Whole blood is frequently given to trauma patients and people undergoing surgery. Red cells from Power Red donations are typically given to trauma patients, newborns and emergency transfusions during birth, people with sickle cell anemia, and anyone suffering blood loss.

Donors previously deferred for risk due to time spent in low-risk European countries, time spent on U.S. military bases in Europe or for use of bovine insulin, may now be eligible to give if they meet all other eligibility requirements.

### Change to Meeting Time

On May 10 & June 14, the second Tuesday of the month meetings will be Lunchtime meetings at 12:30 - 2:00 at Miseno's II Ristro Pub. This came about because the evening slot was not available and some members have stated they are uncomfortable driving at night, but would like to still attend. The second monthly meeting will remain an evening meeting to accommodate working members.

## Anne Howell Wood

Exchange Club of Carlisle member Anne Wood wrote a book during the COVID lockdown. It is a biography entitled, [Dr. William A. Bender: Daffodil Hybridizer 1914-1997: Yes, Daffodils Do Make Seeds](#). It was published by the American Daffodil Society (ADS) and is now available on Amazon at this [Amazon link](#).

Dr. Bender was born and raised in Chambersburg, PA and he and a few other friends founded the local daffodil group called Tuscarora Daffodil Group (TDG). He was also a member of the ADS and was president from 1972-74.

TDG will be celebrating the 50th anniversary of his presidency at the annual ADS convention in Gettysburg at the Wyndham the last weekend in April 2022. This will be the first time the annual ADS convention has been so close to Carlisle, PA. Anne had a few copies of the book at the Exchange Club of Carlisle meeting on February 22, 2022.

Bunny Hop is Coming!

### HELP NEEDED: Downtown Bunny Hop

The Bunny Hop is a walking Easter Egg Hunt in downtown Carlisle, PA, and it works like trick-or-treating with the local businesses and organizations passing out a treat. This is a great opportunity for the club to help the children in the community while getting visibility for the club. Susan Murray will register the club for the event to get us on the map and has a location in front of St. John's church all set.

If anyone is interested in organizing this event, just let Susan know at [717-713-3933](tel:717-713-3933)/[jdmii@pa.net](mailto:jdmii@pa.net). Help is needed with donating plastic eggs and candy (or a few people donating \$10 each), plus 2 people at a time to pass out the treats. Typically, this event has about 500 kids participate.

## Pass and Review

## Russel M. Sutton

December 8, 1935 - February 5, 2022

We will all miss our dear friend, Russ Sutton, who passed away on February 5, 2022. In his 30 years as a member, he served as the Club and District President multiple times and was presented both the Exchange of the Year and Exchange of Decade awards. He was instrumental heading up both the Accepting the Challenge of Excellence Award program and putting together the annual Children's Christmas Party. It was wonderful seeing him at the last Children's Christmas party in Dec 2021 enjoying all the happy young faces. His full obituary can be found at:

***A Few Words from the President . . .***

We've continued through a difficult period compounded by the loss of our two good friends Bob Chant and Russ Sutton. Our club accomplished a great deal because of their efforts and support. Our hearts and prayers continue for their families. Sincere congratulations to Anne for her recently published book. Quite an accomplishment. Summer is quickly approaching which means we'll need help with our two major fundraisers: car parking and Coffee Break. Be on the lookout for sign-ups. Hope to see more of you at our revised meetings.

Be safe,
