Carlisle Garden Club has chosen **your president Bob and First Lady Linda Taylor's garden** as Garden of the Month for May. Sunday, May 21, the garden will be open to the public from 2:00 PM until 5:00 PM. Please attend and show Bob & Linda your support. Taylors' address 503 W. South St., Carlisle.

Also, your Communications Director is the Immediate Past President of the Carlisle Garden Club. ☺

Remember the cleaning of all the flags for Flags on the Square? All the flags were cleaned by Classic Dry Cleaners for free and have now been put back on the poles with new plastic attachments. NEWS: the flags multiplied while at the cleaners. Instead of the 120 flags we thought we had, we now have 180. Perhaps our counters need remedial counting classes.

## **A Few Words from the President . . .**

I must take this opportunity to thank all the members that supported our parking for the **Spring Car Show**. It was touch and go for a while, wondering if we were going to have sufficient support to conduct the event, but, as always, our members rose to the occasion. The profit from this event will go a long way toward correcting the deficit we experienced last year due to the weather. Proceeds were \$4,946.12; after expenses (\$100 Porta-Potty and \$690.00 for Family Public Housing) it was **\$4,156.12**. Well done!

We need to keep the same spirit alive for our next fund raising event, the **Memorial Day Coffee Break**. Setup will be at 10:00 AM on Thursday, 25 May. We will provide our services from Friday, 26 May through Monday (Memorial Day) 29 May. Tear down will be on Tuesday, 30 May at 10:00 AM. Please see Terry Young’s email on 4/17/17, Subject: Memorial Day Coffee Break Sign-up Sheet to volunteer your services. There are still a number of slots open.

An important bit of news for those that were not present at our last meeting; the board has voted to provide a major incentive to help in our drive for increased membership. From now until the end of this Exchange Year, **the individual who brings the most new members to the club will have their dues for the following year (2018) paid for by the club**. We will also continue paying for the meal of any guest at our meetings that is identified as a possible new member. Let’s get behind this membership drive and find some new blood for our organization.
