John Murray thanks Dawn Mudd and her boss for speaking to the club with Exchange pen & pencil sets

At the first meeting in October, Dawn Mudd (center) and her boss from ADP (Automatic Data Processing) spoke to Exchange to explain all the services they provide having to do with payroll, taxes, human resources, etc. The services are perfect for small businesses.

After dinner, **Gus Gustafson**, Past District President, affixed an Exchange pin on our new member **Rick Bonner** during the swearing-in ceremony.

Attendance: 13

Nathan Haring, Cumberland-Goodwill EMS, was the speaker at the second meeting in October. He explained how ambulance companies get short changed in payments of services. Often customers receive the payments for ambulance services but they don't send the money on to EMS. Legislation, hopefully, will help.

Nathan also told us of an ambulance company membership that cost families \$100 or an individual membership of \$75 per year. With the membership there is no charge for services rendered during that year.

John Murray hands him an Exchange pen & pencil set in appreciation for his presentation. **Attendance: 31**

A FEW WORDS FROM THE PRESIDENT . . .

Fellow Exchangites,

Well, October was an up and down month for the club. On the down side, we continued our search for a president elect and were unsuccessful. But the search will continue and I am hopeful that we will have one identified by the first of the year. We also had a new low for meeting attendance with just 13 members and guests attending the meeting on October 12th. I have emailed you about attendance, and I hope that attendance will

increase in the future. (Editor's Note: 31 members and guests attended October 26 meeting.)

On the up side, we had more members turnout to support the National Day of Service at Project Share than last year.

Now that the holidays are looming before us, our lives will be even busier than they are now. As we plan for the holidays, I hope each of us will take the time to participate in one or more of the upcoming events.

- The club meeting on November 10th. Due to the holidays and Club Christmas Party, this is the last regular club meeting until January, so I am hoping for a big turnout.
- Picking up the flags on the Square on the afternoon of November 11th.
- The One Nation Under God/Service To Seniors Breakfast from 9:00 A.M. to 10:00 A.M. on Thursday, November 12th, 2015.
- The Children's Christmas Party on December 6th.
- Bell Ringing for the Salvation Army on December 9th.
- The Club's Christmas Party on December 10th.

Lastly, I ask you to look back and remember all the blessings you have received over this past year. As part of that remembrance, please think about our club and what it means to you. Hopefully, you will find that being part of the club is one of those blessings that allowed you to use your time, talents and treasure to support our community and make it a better place for everyone.

Yours in Exchange,

JOHN
