Car parking ground crew all knew the best place to park the next car. President Terry Young pointing left, John Wain wants sending it straight ahead, while District's Division 5 Director Kara Wright points to the right.

Car Parking

On September 29 - 30, 2022, the club provided a parking area for the Fall Carlisle Collector Car Flea Market, Corral and Auction. Hurricane Ian came to visit Carlisle on Saturday, October 1, 2022, so we did not have any cars to park. Even without any cars to park on Saturday, the club raised over \$200 more than at the event last year. At the fall parking in 2021 we collected \$2,282.52, and this year we collected \$2,485.50.

A huge thank you goes out to Dennis Nielsen for spearheading this event and working many hours during the event. The volunteers who worked this event were President Terry Young, Jody Nielsen, Bill Yufer, John & Susan Murray, Rick Rovigno, Ken Stoltz, Bob Taylor, Barrie Zais, Larry Foote, John Wain, Dick Gillenwater, Wayne Shade, and Mid Atlantic District's Division 5 Director Kara Wright.

Barrie Zais setting up the fence.

Tree crew trimming the branches to protect vehicles.

National Day of Service

Every year the National Exchange Club designates a day, usually in October, for all the clubs to support their own communities by hosting a Day of Service. In order to support the community and impact local children, the club decided to host a candy station for the 12th Annual Spooky Saturday event.

Spooky Saturday is a downtown trick or treating event for businesses and organizations to pass out candy to children dressed up in their Halloween costume while also passing out their information to the adults who accompany them. The station was located near the Square and passed out candy to 735 kids. John and Susan Murray organized and setup this event and had Lee & Helen DeVenney, Bill & Jean Yufer, and Dennis & Jody Nielsen help them run the station.

John Murray, Bill Yufer, Jean Yufer, Susan Murray, and Helen and Lee DeVenney

New President-Elect

After years of searching, President Terry Young is happy to announce that Susan Murray has stepped up to become the current President-Elect. In July, Susan will become the next club president, while Terry will move onto the highly sought-after position as the Immediate Past President.

David Johnson, National Exchange Club President, via ZOOM at the Mid-Atlantic Conference

Mid-Atlantic Fall Conference

John and Susan Murray attended the Mid-Atlantic Fall Conference. David Johnson, National Exchange Club President, attended via ZOOM because the power at his home came on just hours before the conference. He had planned on attending but his flight was cancelled, and he had been without power at home for a long time after Hurricane Ian visited South Carolina. We heard some wonderful fundraising ideas that other clubs in our conference have been doing.

All the District locations

Prospective New Members

We have immediate openings for new members. This is a perfect time to invite guests and prospective new members to a club meeting. If someone would like to attend a club meeting to see if they would like to become a member, their first meal is covered by the club. All members are welcome to bring prospective members to any meeting. The club Information Brochure is attached.

Meetings

October 11, 2022

Model United Nations Program

At the October 11, 2022 meeting, Kevin A. Wagner, Carlisle High School Social Studies Program Supervisor, gave a presentation on Model United Nations Program. The students in this program are incredible. They are assigned a country to represent at the international program in NYC which requires doing research and papers on their designated country.

President Terry Young and Kevin Wagner

October 25, 2022

Kristina Kennedy, Carlisle Salvation Army

At the October 25, 2022 meeting, Kristina Kennedy from The Salvation Army gave an overview about their programs. My Brother's Table serves an incredible number of free meals 7 days a week. The breakfast meals are served to the homeless, while the dinner meals are served to anyone who shows up. Starting in November, they will be transitioning back to serving meals inside the building instead of just the meals to go which they have been doing due to COVID. Additionally, they have housing programs and will be starting the Christmas Bell Ringing soon.

Kristina Kennedy and President Terry Young

- Dec 27 (Tue) - Meeting Cancelled - Too Close Christmas
- Jan 10 (Tue) 6:00 pm - Meeting at Cumberland Crossings
Presentation: TBD

A Few Words from the President . . .

For those who were not able to attend our last meeting, I wanted to share some good news. Susan Murray has agreed to serve as our next President. I look forward to working with her during our transition. We are extremely lucky to benefit from the efforts of the Murray's. I also want to thank Cumberland Crossings for their excellent service and cuisine. It was nice to be back at our normal location. Glad to see John Wain zipping around after his knee replacement. There were rumors of him contacting the Steelers to offer his help. There are other members facing health challenges. They remain in our thoughts and prayers. Two major events on our close radar: Children's Christmas Party and our annual Christmas Party. Don't forget to sign up to assist with the kids. The flyer for our Christmas Party is coming out shortly. Despite our decreasing numbers our club continues to provide a great service. I encourage all of you to do everything you can to recruit new members. Invite friends, colleagues and fellow church members. The club will gladly pay for their first meal cost. Be safe and be sure to let us know if we can assist in any way.

Terry

Job that will need volunteers:

Photographer: Need a couple photographers at each party to get pictures of the event

Kitchen staff: serving food, refilling snack bowls with veggies and chips, drinks,

Clean up: Doing dishes in the dishwasher and wiping up the tables as guests leave

Wood craft: Helping the kids nail the wooden crafts together

Plastic ornament craft: Helping the kids decorate a plastic ball ornament with stickers and markers

Cookie decorating craft: Helping the kids decorate a cookie to eat with icing and sprinkles

Library Station: Helping the kid select a used book to take home and replacing more books

Guest interaction: Talking to the kids and encouraging them to do the activities

- *Freedom Shrines.* In selected local schools the Club develops and maintains patriotic historical displays.
- *Grants of Funds.* Club members and the Board approve various grants to worthy local organizations and activities. Some examples are Domestic Violence Services of Cumberland & Perry Counties, S.P.Y. (Summer Program for Youth), Hope Station, and Boy Scouts of America.

Funding. In order to carry out these projects, the Club must raise funds. Our principal fund raisers are Carlisle Car Show Parking and Interstate 81 Rest Area Coffee Break. Both are conducted twice per year, in the Spring and Fall for Car Show Parking and on Labor and Memorial Day weekends for Coffee Break. On occasion, we initiate other fund-raising efforts such as yard sales and coupon book sales. Your most important contribution to the Exchange Club is your dedicated participation in these fund raisers. All funds raised from the public are used for Club projects. None can be used for Club operations.

Again, welcome. We are glad that you are a member of Carlisle Exchange and we expect and appreciate your active participation.

- Our Board meets on the third Tuesday of every month at 6:00 PM at Minerva Mills located on Louthier Street in Carlisle.

Exchange Club of Carlisle

Club Information Brochure

Welcome to America's number one service organization. Our Club contributes to the Carlisle community in the four areas of **Americanism, Youth Programs, Community Service,** and **Prevention of Child Abuse.**

Meetings. Our Club meets on the second and fourth Tuesdays of the month from September through June at 6:30 PM at Cumberland Crossings. A social time starts at 6:00 PM. Our Board meets on the third Tuesday of every month at 6:00 PM at Minerva Mills on East Louther Street. Friends or guests are welcome at all of our Club functions. You should plan to attend as many meetings as possible. It is important that we keep attendance up in order to be kept abreast of and participate in Club activities.

Communications. You will receive a newsletter every month that outlines the Club's organization and activities. Three times a year you will receive a District newsletter and quarterly a national magazine. Be sure to keep the Club Secretary updated on your mailing and email addresses as well as your phone number.

Club Activities. The Club's activities are divided into two areas-Operations and Projects.

Operations. These are the business functions, social activities, and associated expenses of the Club. They are our meetings, club administration, supplies, internal awards, guest speaker meals and honorariums, and social events such as our annual Christmas and Valentines parties, and the summer picnic. We raise money internally to pay for these club operations through things such as Club dues (currently \$110/year), meal and

attendance fees, and 50/50 drawings. These funds form the budget operations account and are kept separate from project account funds.

Projects. These are our service activities in the four areas outlined in the first paragraph. They are planned and conducted by our Club's various committees. Some of the more significant and recurring projects are:

- *Molly Pitcher Award Dinner.* The Club presents Carlisle's most significant service award to the Carlisle Citizen of the Year. This annual Spring dinner is conducted at Dickinson College.
- *Youth of the Year Award.* At one of the Club's meetings, we honor and award the outstanding student of the year from Carlisle, Boiling Springs, and Big Spring High Schools.
- *Christmas Bell-Ringing.* For one day during the Christmas season, the Club rings the Salvation Army Red Kettle Bell at a local business.
- *One Nation Under God Breakfast.* This breakfast is held to heighten public awareness of the important roles religious faith and freedom have played in our nation's history. The breakfast is held in conjunction with our Service to Seniors project. We host residents of Cumberland

Crossings and other senior citizens in the community at this event.

- *Give a Kid a Flag to Wave.* Children attending the opening ceremonies for Carlisle Summerfair are given a small American flag by volunteers from the club. We assemble on Dickinson College's Rush Campus and then spread out across the campus giving flags to children.
- *Flags on the Square.* On selected holidays our Club, in concert with Carlisle Rotary, puts out and picks up the tall American Flags that line High and Hanover Streets. We assemble on North Hanover Street across from Market Cross Pub.
- *A. C. E. Award.* At one of the Club's meetings, we honor students from Carlisle, Boiling Springs, and Big Spring High Schools that meet the criteria for the Accepting the Challenge of Excellence award.
- *Proudly We Hail.* The Club presents a plaque to an organization or individual that displays the American Flag in a unique and dignified manner.
- *Children's Christmas Party.* In December, the Club hosts a Christmas Party for at-risk children from the local area. We provide food and gifts to the children that attend the party.
