Former CIA officer Tony Williams once again enthralls the Exchange Club

The Syrian refugee crisis was the topic discussed at our first meeting of the new club year. Tony knows the history and the whys and wherefores of the situation and gave us an overview of the unfortunate events.

Tony is shown here receiving the Exchange pen and pencil set as a token of our appreciation.

Several months ago Tony's presentation had to be canceled because his wife, Barbara, was ill, but a healthy Barbara accompanied her husband on this evening.

Bob Alspaugh received the Exchangite of the Year award

A member since 2003, Bob has often helped with the Exchange Club Safety Coffee Break at the I-81 Rest Stop south of Carlisle on Memorial Day weekends and Labor Day weekends, the Exchange Club Car Parking at the two major Car Shows, and the GiveAKidAFlagToWave events in Carlisle in which children receive small American flags. Bob and his wife, Sis, frequently have driven their truck to pull the Exchange trailer loaded with flags to resupply the members handing them out in the Summerfair parades and now in the Memorial Day parade. Bob has been in charge of arrangements for the annual "One Nation Under God" Breakfast held at Cumberland Crossings in November to celebrate the important roles religious faith and freedom has played in our nation's history. Bob served for several years as a Director on the Board of Exchange.

Lynda Morris, Executive Director of Capital Region Partnership for Career Development, speaker at the second meeting in September

The Partnership for Career Development works to build a system of K-12 career education, increase awareness of post secondary training and education opportunities, and strengthen workforce development in the Pennsylvania Capital Region.

The PCD offers opportunities for students, educators and employers to connect with one another.

In the photo, President John Murray presents Lynda with an Exchange Club pen & pencil set as a token of the club's appreciation for her informative presentation.

BTW Lynda is the wife of Exchangite Bob Morris, a member since 2014.

A FEW WORDS FROM THE PRESIDENT . . .

Fellow Exchangites,

Well, September was a great month for the club. We added two new members to the club and also had a very successful **Coffee Break Fundraising Event** during which the club collected almost **\$2,500** in donations.

As we move further into the club year, I am still concerned that we have been unable to identify a member to fill the position of President-Elect. The club's Board of Directors and I are currently working on a **plan to reorganize the club's leadership structure**. The hope is that we can complete the plan for the reorganization and implement it starting January 1, 2016. Based on that goal, I am really hoping that we can select a **President-Elect** in the next couple of months so that he/she can participate in the development and implementation of this plan. I would like each club member to take some time in the next week to consider serving as the next leader of our club.

As you make plans for October, please remember that our **Fall Car Parking** event is coming up at the beginning of the month. This is a very important fundraising event for the club and its proceeds help fund the great work that our club does in our community.

I hope to see all of you at the club meetings on October 13th and 27th at Cumberland Crossings.

JOHN

Our speaker on October 13
