At the second meeting in September, **Matt Ernst**, Vice President - Programs and Business Development, and **Joshua Wolfe**, Therapeutic Recreation Program Coordinator, spoke about the various therapeutic recreation programs for disabled youth and adults in the Central Pennsylvania area. Programs range from horseback riding to bowling. Matt can be reached by email at [mernst@eastersealscentralpa.org](mailto:mernst@eastersealscentralpa.org) or 717-741-3891. **Attendance at the second meeting in September was 26.**

**Fall Car Parking** was difficult in the rain—not impossible—just difficult.

“We took in \$1,324.21 for the rainy week-end. This compares with \$868.17 from last year’s rainy week-end. After expenses (Family Housing: \$182.00; Port-a-Potty \$100.00; support costs: \$55.39) we netted **\$1,068.82**. That’s more than we had a week ago and well worth the effort.

Thanks for all of the work.”

Treasurer Bob Beard

### A Few Words from the President . . .

I sincerely want to thank the members of our organization for getting the new Exchange Year off on the right foot, or maybe, it is the left. Regardless, it has been a great start: the summer picnic, two super meetings with knowledgeable and informative speakers, Memorial Day Coffee Break, Pressley Ridge's Ice Cream Fundae, and our Fall Car Parking are great examples. Although the car parking was impacted by the rain, we still managed to make a meaningful profit for the club. Let us continue and even improve on this wonderful start.

In the near future, you will be receiving several important emails regarding our club's activities. The first deals with **Exchange's National Day of Service**. Each year one day in October is set aside by National for local clubs to perform a service in support of their communities. In past years we have all tried to show up on the given day at Project S.H.A.R.E., and we have been fairly successful in that endeavor. This year, however, we are trying to make it possible for a greater number of our members to take advantage of the National Day of Service, by allowing members to volunteer on any of the following days: 18, 19, 20 and 22 October (times will be in the email). Please let our Secretary or me know if you were able to serve on any of those days.

The second important message deals with our annual **Exchange Christmas Party**. This year our party will be at the Carlisle Country Club on **15 December at 6:00 PM**. More details to follow, but put it on your calendar. The cost will be between \$30-\$35 a person and the food and the ambiance will be great. Be ready to sing.

Finally, several of you will be receiving a personal email from me regarding **attendance at our meetings**. I believe most of you know that one of my primary goals is to increase participation in all our activities. We are obligated to provide Cumberland Crossings with a specific number of attendees for each meeting. We are also required to pay for that number, whether they attend or not. My emails are designed to reinforce the fact that I am counting on each of you to help me in revitalizing participation at our meetings.
