Rick & Karen Rovegno Trust Challenge Grant Status

As of September 29, 2020

Challenge Status

Rick and Karen Rovegno Trust Matching Gift Challenge

Due to the negative impact of COVID-19 on the club's fundraisers, the club needs approximately \$8,500 to restore the planned programs and donations for this year. The Rick and Karen Rovegno Trust will match dollar-for-dollar up to \$4,250 all donations by the Exchange Club of Carlisle members into the club's fundraising account between now and January 31, 2021. That means the first \$4,250 members donate will be doubled to close the \$8,500 gap making it possible to help all the programs the club has plans to support this year.

As of the September 29, 2020, \$2,860 (67%) has been raised. With 37 other members in the club, it comes out to about \$115 each.

National Day of Service Project for 2020

The goals our National Day of Service Project will be to:

- Cleanup trash
- Trim trees and other vegetation
- Rake the playground area
- Repair any damage from Fall Car Parking
- Replace basketball goal nets, if needed

If you have any question about our National Day of Service Project, contact John Murray at Murrayjd@pa.net or (717) 243-7026.

Future Meeting Options

The Board of Directors is currently examining how to handle future meetings since it is going to be too cold to continue holding the meetings at an outside venue starting with the October 27, 2020 meeting. Possible options are being explored. The Board of Directors would like input from club members about how to handle upcoming meetings. Please reply to the forthcoming survey invitation or at [survey link](#).

Molly Pitcher Banquet March 2021

The Molly Pitcher Award Banquet for March 2021 has been cancelled due to the COVID-19 Pandemic restrictions. This is the first time the Award Banquet has needed to be cancelled since its conception.

Meetings

Club Meetings Resume in September

The Exchange Club of Carlisle has resumed meetings for the first time since February 2020. It was determined that an outdoor location would better suit club members. So on September 8, 2020, the club held a meeting outdoors at a North Middleton Park Pavilion from 6:00 pm - 7:00 pm with 22 people in attendance and on September 22, 2020 the club held a meeting at the same time and location with 15 people in attendance.

Treasurer Bob Beard

At the September 8, 2020 meeting, Club Treasurer Bob Beard presented the financial status of the club. He explained that at the beginning of the pandemic, the board approved the annual budget projecting approximately a 50% reduction in fundraising. This resulted in a 50% reduction in the club's planned donations to the community. With the loss of the Labor Day Coffee Break Fundraiser, the effects of the pandemic on the budget were more severe than expected resulting in the club projecting it would not be able to meet even the 50% donation level from the previous year. He provided the list of the projected donations the club had planned on providing to the community at their reduced levels for this year. Rick Rovegno offered a challenge to the club to personally donate to help fill in this gap with the incentive of his trust doing a matching grant for all member donations up to \$4,250 by January 31, 2021.

September 22nd

At the September 22, 2020 meeting, Club Secretary John Murray presented the club's Year-in-Review which 15 people attended. This PowerPoint which is also available to view on the club's website ([Year in Review](#)) revealed everything the club did during the year. The year started out great but had some cancellations due to the COVID-19 pandemic. Overall, the club did some great things last year, and plans on doing more this coming year.

A Few Words from the President . . .

We continue to travel through this challenging and unknown pandemic journey. I pray that all are safe and have all needs taken care of. Please let someone know if we can help in any way and check up on those alone.

We've had two successful meetings at the North Middleton Park. Thanks to all who attended and to our Treasurer, Bob Beard, and our Secretary, John Murray, for their outstanding presentations. Our future meetings are up in the air. Bill Yufer has arranged for us to meet in a room at the new Methodist Church. However, the Board is debating whether it is prudent to meet during this challenging time.

Please let us know your thoughts and concerns.

We never like going to the members for additional funds. However, Rick and Karen made a very generous offer. So far \$2,860 have been donated by 15 members and that is 67% of the \$4,250 Rick and Karen will match. In order for us to meet the goal of funding our important projects, please consider donating. Donations (which are tax deductible) should be sent to Bob Beard.

There are still many unknowns and the warning of a resurgence in the fall. We'll get through this together. Be smart and stay safe.

Be safe!

Terry
