Jody Nielsen and President Susan Murray

Exchangite of the Year

Jody Nielsen was recognized on August 13, 2024 as the 2023-2024 Carlisle Exchangite of the Year for making significant contributions to the club and the community. Jody ran the Children's Craft Station at the 2023 Summerfair, organized the 2023 Children's Christmas Party, and worked on other club events. She was instrumental in the success of the Pinwheel project by selling 243 pinwheels, planting the pinwheels in the rain and collecting them at the end. The club is fortunate to have such a great member supporting the community. Thank you, Jody, for all your hard work.

Summer Picnic and Backpack Collection

The summer picnic was held on August 13, 2024 at the Carlisle Barracks Golf Course's Appalachian Brewing Company 1757 Grille. Pennsylvania Representative Barb Gleim (R-199) obtained a Pennsylvania Citation in recognition of our club's 75th anniversary. Her Legislative Aide Josiah Jones read and presented the citation.

Members donated 52 backpacks and boxes of school supplies to help students at Letort Elementary School prepare for an awesome new year. Club Member and Letort Principal Barb Wohlgeomuth collected all the school supplies at the meeting. She thanked the club members and guests for their support and let them know that her school is truly thankful for all the supplies.

A Few Words from the President . . .

What a great turnout for the summer picnic. We had 36 people and collected 52 backpacks with boxes of school supplies! Thank you for your time and donations. Letort Principal Wohlgemuth was thankful.

We are almost finished with the Labor Day Coffee Break. The homemade cookies and muffins have been a huge success. This was only possible due to the number of bakers who stepped up to provide them. We may not offer packaged items similar to those sold in the vending machines since we may not compete with them, so the homemade ones have been very helpful. The next big fall fundraiser is coming up soon, so please help John Murray by signing up for a couple shifts for Car Parking soon. It is much easier if we have a few extra people on the shifts to help direct the people to the location where we want them to park. Otherwise, if there are only a couple people on hand, those people end up doing lots of extra walking.

We look forward to seeing everyone at the September 10 meeting where we will be going over the Future of the Club. This will outline the events we do, and the club can discuss whether we have enough volunteers to continue doing all the events.

Cheers,
Susan
